KCC Associate Degree in Nursing (ADN) – Minimum Admissions Criteria: Applicants meeting the criteria below are considered qualified and will be considered for selection and admission.

1. Completion of **prerequisite courses** with a grade of "C" or higher;
2. A minimum **cumulative grade point ratio (CPR) of 2.5 or higher for the prerequisite general education courses and general support courses** in the nursing curriculum, all courses being completed with a grade of "C" or higher;
3. An **Assessment Technology Institute-Test of Essential Academic Skills (ATI-TEAS) Exam** taken with an adjusted individual total score of 78% or higher with a 3-year expiration. ***Effective June 1, 2013, an adjusted individual total score of 65% or higher will be considered for admission*** as part of a pilot study to be conducted by the KCC Nursing Department;
4. A minimum **cumulative grade point ratio (GPR) of 2.0 for all college courses** taken at Kapi'olani Community College.
5. Courses taken for credit, or testing accepted by Kapi'olani Community College, will be accepted by the Nursing Department and will be assigned a grade of "C" for the application ranking process. A guide to transfer equivalencies in the University of Hawai'i System is available at **http://www.hawaii.edu/transferdatabase/.** This site provides general guidance only. Kapi'olani Community College reserves the right to make its own institutional decisions regarding specific transfer equivalencies;
6. Grades for courses taken for credit must be equivalent to a "C" or higher.

KCC Associate Degree in Nursing (ADN) – Selection Criteria: Applicants with the highest scores will be admitted into the ADN program. All qualified applicants will be ranked for admissions based on combined scores of the four areas below. In the event that several students achieve the same ranking, admission will be determined anonymously by random selection.

- ATI-TEAS exam adjusted individual total score;
- Grade point ratio (GPR) for prerequisite general education courses;
- Number of and grade point ratio (GPR) for co-requisite/support courses.
- Health/medical work experience or health/medical training with direct patient-based care will be given extra consideration, however, it will NOT be required for applicants.
