Kapiolani Community College
Radiologic Technology Program Admissions Assessment (A^2) Information Sheet

What is the A^2?

The Radiologic Technology Program is using an online Admissions Assessment from an independent third party (Evolve) as a part of the admissions procedure. All applicants to the Program must achieve minimum scores in five content areas to qualify for admission. The applicant will be awarded points based on their *cumulative* score on the A^2.

When do I take the A^2?

The test must be taken during the application period (04/01 to 05/31). Please see the "Testing Schedule" section of this brochure for tentative testing dates and registration period.

How often can I take the A^2?

You may take the test *once* per application period. If an applicant takes the A^2 more than once, the *first* score will be used for admissions purposes.

What do I need to bring?

- Photo ID
- Second ID (does not have to be photo ID)
- Pencil or pen

How do I register for the A^2?

Complete and submit the registration form with a NON-REFUNDABLE cashier's or bank check for $35 (subject to change) payable to *Kapiolani Community College* to the address specified on the registration form. The registration form must be post-marked or hand-carried by the appropriate registration deadline. *Personal checks will NOT be accepted.*

2/1/12@8:21 PM jatn

Description of Content Areas

Reading Comprehension – written scenarios used to measure reading comprehension: identifying the main idea, finding meaning of words in context, passage comprehension, making logical inferences, etc. (47 items; 60 minutes; qualifying score is 75%)

Vocabulary and General Knowledge - vocabulary terms commonly used in both general English-speaking settings and in health care fields (50 items; 50 minutes; qualifying score is 75%)

Grammar - basic grammar, including parts of speech, important terms and its use in grammar, and commonly occurring grammatical errors (50 items; 50 minutes; qualifying score is 75%)

Math - math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ratio and proportion, household measures, and general math facts that are useful for calculating drug dosages and solutions (50 items; 50 minutes; qualifying score is 75%)

Anatomy & Physiology - general terminology and anatomical structures (25 items; 30 minutes; qualifying score is 75%)

How do I prepare for the A^2?

Review related class notes. HESI A^2 review books by Evolve or other publishers are also available online. (Please see the "Description of Content Areas" section of this brochure.)

Testing Schedule

Test Date	Registration Period
04/05/13	03/01/13 to 03/30/13
04/19/13	
05/20/13	
05/21/13	
05/22/13	
05/23/13	
05/24/13	

Tests will be administered from 9:00am-3:00pm; examinees should check in between 8:30-8:45am. There will be a one-hour break for lunch (not provided).

Tests may be rescheduled IF space is available AND the change is made a minimum of one week prior to the original and rescheduled test dates.

Testing Locations

Tests will be administered on the Kapiolani Community College campus. Examinees will be informed of the test date and location via e-mail approximately one week following registration submission. If you do not live on O'ahu, an attempt will be made to locate an alternative testing site. However, if one cannot be found, you will be scheduled for a KapCC testing site.

When will I know my scores?

Scores are available via your Evolve account upon completion of your test, and will be available for your review at any time.
